INTRODUCING THE NEW HYUNDAI ELANTRA

Redefine the look of success in the new Hyundai Elantra. As an award-winning sedan, the new look Elantra boasts stylish design features, a premium interior and impressive safety specifications. As soon as you experience the sophistication and comfort of the new Elantra you'll understand why it's seen as one of the best sedans in the world.

PERFORMANCE

World-class comfort and a smooth ride do not have to replace performance, that's why the Elantra is powered by a 1.6 litre, turbocharged engine with an output of 150 kW and an impressive torque of 265 Nm*.

SAFETY

The new Elantra comes standard with state-of-the-art safety features. A rear park assist system, six airbags and an impressive impact-sensing door unlocking system will further enhance your driving experience.

TECHNOLOGY

The advanced technology that you would come to expect from a Hyundai has further been improved in the new Elantra, which comes standard with a touchscreen infotainment system and optional Satnav, complete with Bluetooth connectivity and multi-function steering wheel.

COMFORT

The Elantra's spacious interior, leather seats and cruise control will not only impress, but also ensure the most leisurely and luxurious ride for you and your passengers. With more shoulder room, additional legroom and cruise control, the Elantra is as well designed on the inside as it is on the outside.

TRANSMISSION

The Elantra promises a smooth and powerful ride and can be equipped with a manual, automatic or 7-speed DCT transmission.
