For exact models, specifications and colours, please consult your Hyundai dealer. Some of the equipment illustrated or described in this catalogue may not be supplied as standard equipment and may be available at extra cost. Hyundai Motor Corporation reserves the right to change specifications and equipment without prior notice. The colour palette shown may vary slightly from the actual colours due to the limitations of the printing process. Please consult your dealer for full information and availability on colour and trims. Fuel consumption* figures quoted are obtained under specific test conditions, they may not be achieved under 'real world' driving conditions. However, the figures serve as a means of comparing models of a similar type.

GRAND i10

7 YEAR 200 000^{KM}
Manufacturer Warranty

FEEL FREEDOM

The Hyundai Grand i10 breaks away from everything you thought you knew about a compact hatch. This fresh and dynamic model puts a modern twist on a zippy car with its clean look and sleek design. While it still lives up to Hyundai's continuous commitment to evolve a car that fits an urban lifestyle, the Grand i10 is the perfect ride for experiencing real freedom.

LUXURY COMES IN GRAND PACKAGES

The economical Grand i10 offers a luxurious drive, with premium interior features and an exceptional use of space. Its interior noise has been reduced with a redesigned engine mount system, a quieter fuel pump and improved body rigidity, while advanced technology like intuitive steering wheel audio and Bluetooth controls, an infotainment system* with Bluetooth integration and handy USB ports ensure a driving experience that brings thrill and luxury together seamlessly.

21ST CENTURY LIFE

Hyundai applied years of experience and skill for a steady 5.9l/100km and 6.9l/100km, on the 1.25l Grand i10 Manual and Automatic models, respectively, and 5.4l/100km and 5.9l/100km on the Manual and Automatic models of the Grand i10 1l, respectively. The Grand i10 also boasts sophisticated anti-friction coatings, as well as advanced fuel delivery systems. Equipped with driver and passenger airbag, as well as passive and active safety features like ABS with EBD technology, the Grand i10 limits unnecessary skidding when stopping suddenly, even on wet roads.

WHEN PRACTICAL BECOMES EYE-CATCHING

With its fluid design and sleek look, the Grand i10 strikes a perfect balance between practical use and eye-catching aesthetics. When it comes to space, it offers a comfortable 256l boot that increases to over 1,202l when the back seats are folded down. In addition, the front fog lamps add a simple, yet slick finish to the front, while the smart side indicator mirrors*, the LED daytime running lights and rear park assist** add a special touch.

*Fluid and Glide models. **Glide model only.
